

# Welcome to THE AXIS SYLLABUS

Asheville Jam is happy for you to join us for this incredible workshop with Dan Bear Davis.

If you can, we encourage you to come for the entire weekend. But we understand that life is busy, so we came up with a way for you to attend smaller sections of the workshop. Please *be early* for your chosen section, and please commit to staying for the entire time. It is incredibly supportive to the learning environment that we be on time and stay for the entire section. Thank you, Welcome, and Enjoy!
